## **Norwottuck Rail Trail Rehabilitation Project Update**

November 24, 2008

Thank you to everyone who has sent in written comments after the Public Information Meeting on October 29. This is a quick reminder for those who still plan to write. In order to get your thoughts included with the written comments from the meeting, your letter or email should reach us by Monday, December 1.

There are several ways to get your comments to us:

- Email by going to the “Contact Us” link on the project webpage.  
<http://www.mass.gov/dcr/projects/norwottuck>
- Email directly to [Robbin.Bergfors@state.ma.us](mailto:Robbin.Bergfors@state.ma.us)
- Mail them to  
**Norwottuck Rail Trail Rehabilitation  
MA DCR  
PO Box 66  
South Carver, MA 02366**

After December 1, you can still participate in the **Pre-Design Trail User Survey**, which is open through New Year’s Eve, December 31, 2008.

<http://www.mass.gov/dcr/projects/norwottuck/survey.html>

The survey gathers information on how you use the trail and offers you the opportunity to tell us how we might make it better! It takes as little as five minutes to complete and there is a section to write in your thoughts.

Finally, if you’d like to receive future emails regarding the project details and public meetings, you can subscribe by visiting the Norwottuck Rail Trail Rehabilitation Project web page.

Happy Thanksgiving!
